2026

PRESENTATION OF CCC YOUNG RESEARCHER AWARD 2026

Wednesday, 25th November 2026
Aryabhatta Hall, University of Calicut
9:30 am- 1:00 pm

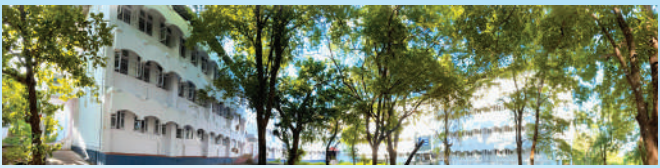
Inauguration and Presentation of CCC Young Researcher Award 2026

Prof. (Dr.) P. Raveendran
Vice- Chancellor, University of Calicut

Prof. M V George Memorial Lecture-7th Edition
Prof. (Dr.) Vijayakumar Chakkooth
Scientist F/Professor(AcSIR) CSIR-NIISTThiruvananthapuram.
Topic:
Hybrid Metal Halides : Light and charge

Prof. (Dr.) N K Renuka
Department of Chemistry, University of Calicut
Topic:
Superhydrophobic Surfaces

Pof. (Dr.) G. Unnikrishnan
Head of Department of Chemistry
National Institute of Technology Calicut.
Topic:
Rethinking Polyurethanes- Hybrid NIPUs for a sustainable future- Chemistry, Design and Emerging Applications.



PG & Research Department of Chemistry

Calicut Chemistry Collective (CCC)

Calicut Chemistry Collective (CCC) is a forum of chemistry teachers and researchers (both retired and working) of colleges in Calicut/-Calicut University/NIT/CWRDM. The main objective of the collective is to organize talks/ seminars/ symposia/ discussions etc. for students and teachers of schools and colleges with a view to motivate them and familiarize them with the latest advancement in chemical sciences and related areas.

Registration of Participants at 9.30 am on 25.11.2025 at the venue

Programme coordinators : **Prof. Binitha NN 9497625535,**
Prof. Rajeev Menon 8685867929, Dr. K K Devadasan 9447292902
